Dear Sir,

On behalf of the President Committee and Members of the Burnie Athletic Club may I take this opportunity to thank the Burnie City Council and it's employees involved in the magnificent way West Park Oval was prepared and presented to the public for the staging of their 114th Annual New Years Day Carnival on January 1st 2001.

Special accolades are offered to Rick Aitken for his dedication and committment in preparing the Oval surface for the athletes and cyclists who were all complimentary of the finished article. It is a credit to Rick theway he goes about his duty and his co-operation with the Club leaves nothing to be desired.

Once again, thank you Sir and your staff for the preparation of the Oval.

Yours faithfully
BURNIE ATHLETIC CLUB Inc.
