RICKY AITKEN

Ricky has worked as a member of the MCC Groundstaff at Lord's for the past six months. During his time at Lord's, I found Ricky not only to be very likeable, but a good team member.

Working alongside myself and other members of the Groundstaff, Ricky assisted with the preparation of Test Match and One Day International pitches and his contribution on numerous occasions has, I believe, enhanced the playing qualities of the pitch.

Ricky's theory and practical abilities are equally impressive and he is a credit to himself and his profession.

From the above it will be readily appreciated that I strongly recommend Ricky to any establishment to which he is appointed.

If you require any further details, please do not hesitate to contact me.
