Dear Ricky,

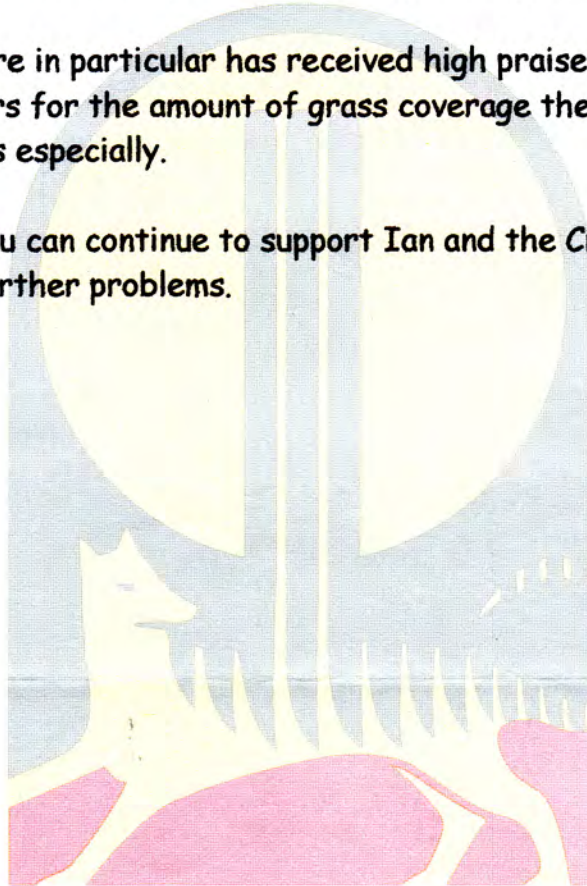

On behalf of the President and Committee of the N.W.T.C.A. we would like to thank you for the help you have given Ian Hyde and the Sheffield Cricket Club this year in preparing their ground.

The centre square in particular has received high praise this year from a number of players for the amount of grass coverage there is on the adjoining wickets especially.

We hope that you can continue to support Ian and the Cricket Club if they have any further problems.

Yours sincerely

Mike Sage  
 President
