Dear Ricky

On behalf of the Conference Management Committee I'd like to extend a sincere thank you for participating as one of our speakers at the 2009 NZ Turf Conference. Your knowledge and input to this conference was greatly appreciated.

Even with these tough times we were thrilled to achieve attendance numbers of 570 people, certainly putting this event on a par with previous conferences!

All in all, it was a very successful week long event for both delegates and trade partners and a lot of positive feedback has been coming through.

Yours sincerely
